Sir,

With reference to the subject of giving an accountant to each district to see that the food supply accounts are written up and made ready for audit by the Comptroller, which was discussed at the meeting of Deputy Commissioners and Heads of Departments on the 30th March 1920, I have the honour to submit herewith copies of my letter No.4496-503 dated 7th April 1920 to the Deputy Commissioners of districts and of the replies received from the Deputy Commissioners of Bangalore, Tumkur, Mysore and Hassan. The Deputy Commissioner of Bangalore asks for an accountant on Rs. 50 for 3 months in the first instance, Tumkur wants one on Rs. 60 for a similar period, Mysore asks for an accountant on Rs. 50 up to the end of the year and Hassan for an accountant on Rs. 50 for 3 months.

I would recommend that an accountant on Rs. 50 may be sanctioned for each of the above districts for a period of 3 months.

The replies received from the other districts will be submitted in due course.

I have the honour to be,
Sir,
Your most obedient servant,

Letter No.4496-4503 dated the 7th April 1920 from the Food Controller and Director of Civil Supplies in Mysore, Bangalore, to the Deputy Commissioners of Districts.

At the meeting of Deputy Commissioners and Heads of Departments on the 30th ultimo, it was considered that a good accountant should be appointed to each district to to help the Deputy Commissioner to see that the food supply accounts of all depots and also of the Deputy Commissioner's office are correctly written up and completed for being submitted for the Comptroller's audit. I have the honour to request to be informed whether there is the need for such an accountant in your district and if so, the probable period that will be necessary for him to bring up all accounts and registers up-to-date and ready for audit. The pay recommended for the appointment may also be intimated.

With reference to your letter No.4496-4503 dated 'th April 1920 regarding the appointment of a good accountant for writing up and completing the food supply accounts, I have the honour to state that the services of an accountant are necessary till the end of the year for the purpose. Letter No. 1793 dated 13/14th April 1920 from the Deputy Commissioner Hassan District to the Food Controller and Director of Civil Supplies in Mysore.

With reference to your letter No. 4496-4503 dated 7th instant I have the honor to state that the accounts of all the Depots in the District up to the end of August 1919, have been audited by the Audit Staff of the Comptroller's Office and the Assistant Comptroller. As the Taluk Depots were closed and export of ragi to Provincial Depots was stopped, there has not been any heavy transactions except those relating to the sale of Burma rice. This stock has also since been disposed of. The accounts in Taluks have been written up and the amounts advanced by the Food Controller and Government have been fully refunded. It is however necessary that before the accounts are finally closed, they should be regularly checked and completed for being submitted for the Comptroller's audit. A separate hand is necessary for this purpose. His duty will be to visit the Taluks, check the accounts minutely and carefully with vouchers and compile consolidated returns for the whole District under the direction of the District Economic Superintendent.

2. I am of opinion that one hand on a pay of Rs. 50/- per mensem may be sanctioned for a period of three months.
